

Smart Sensor™ technology

Streams high-definition audio

Fits comfortably all day

**plantronics**®

So smart, it knows when you can talk

**Voyager® PRO HD** Bluetooth® Headset

Smart Sensor™ technology redefines hands-free convenience so you can answer calls simply by putting it on. Streaming HD audio and superior comfort make this the smartest headset for smartphones.

# Voyager® PRO HD

**The first headset that knows you're wearing it.** This headset is so smart, that by simply placing it on your ear, it answers your phone by automatically transferring calls between your phone and headset. Taking you beyond the headset, our Vocalyst service lets you manage email, check weather or update Facebook®, and the Plantronics MyHeadset™ app that gives you tips, tricks and tools for Android.® Voyager PRO HD combines HD streaming audio with natural sound and superior comfort to give you the smartest headset for smartphones.

## SO SMART, IT MANAGES YOUR CALLS.

- Revolutionary Smart Sensor™ technology manages your calls and automatically performs time-saving functions
- Triple tap of Call button dials Vocalyst™ voice and text service (visit [plantronics.com/vocalyst](http://plantronics.com/vocalyst) for service details)
- Plantronics MyHeadset™ app gives you tips, tricks and tools for Android
- Stream music, podcasts, GPS directions and other audio
- Voice alerts announce talk time, volume, connection and more
- Monitor your headset battery level on your iPhone or Android (3.0 or higher) smartphone
- Experience brilliant, HD streaming audio plus natural, clear calls
